Halloween Guidelines

Halloween always is a *spirited* day at school, and we look forward to seeing students' creative costumes. The middle schools will host our Halloween activities on Monday, October 31st. In order to promote a safe and respectful environment, here is a reminder about costume guidelines.

- Face/body make-up along with hair coloring is welcome, but must be applied at home, prior to coming to school. Students may not bring hair coloring or make up to apply at school or to share with others.
- Masks may not be worn during the school day.
- Props should not be brought to school.
- Costumes need to be consistent with our dress standards. Specifically, costumes should respect the dignity and sensitivities of all groups of people. They should avoid representations that are inappropriately provocative, excessively violent, or that contain references to drugs or alcohol.

Fall Book Fair

A BIG thank you to all of the parents who generously volunteered their time and energy to the Fall Book Fair. The parents and staff worked seamlessly to set up an enticing shopping environment. It was great to see the excitement in the NEW LRTC as students and parents picked out books and other treasure to purchase.

Great job PTA!!

School Picture Retakes

Tuesday, November 1st

This picture day is for students who did not have pictures taken in August for any reason and those who were unhappy with their original photos.

New students will be given order forms from their teachers to bring home for parents to purchase packages. Those who were absent should bring in the order forms they received in August. Additional forms are available in the main office.

Students who want retakes **MUST** bring their photo package with them to return to the photographer.

Friendly Reminders from the Office...

Parents do you need to sign your student out early?

Please send them a note specifying the time you will pick them up. The student should come to the Main Office or Health Office in the morning with your note. They will be given an Early Dismissal Pass to show to their teacher which allows them to leave class to meet you in the office. Simply come into the office to sign out your waiting student.
